

PETERSON'S TEST PREP **REVAMPED**

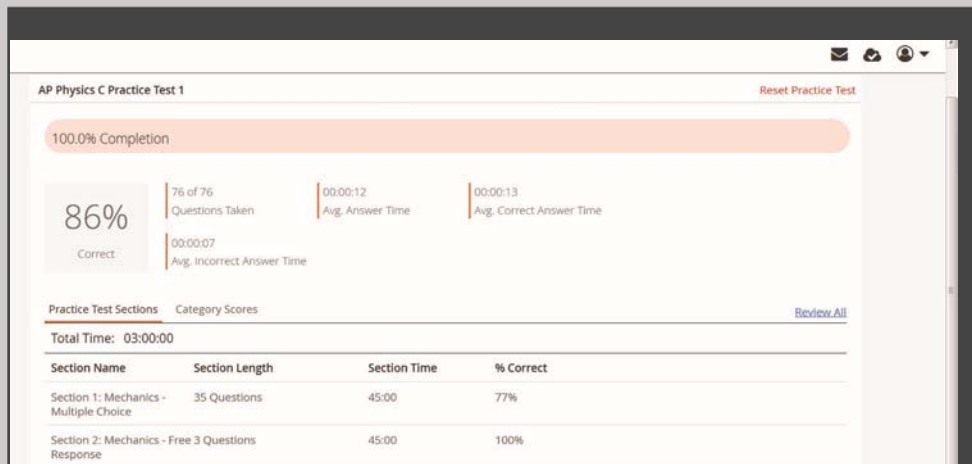

Same great content on a new and improved platform!

Peterson's is moving their test preparation to an exciting new platform—this means lots of new features for you and your students!

- Countdown calendar to test day to help keep you on track
- At-a-glance results page to gauge progress
- Fully mobile optimized—dynamic delivery lets you study whenever and wherever

- Detailed score reporting, including percent correct and time spent per question
- Ability to reset sections or the entire test
- Detailed answer explanations for every question
- Take notes and rate your confidence level

These exciting new updates will start to roll out January 15, 2019!

Access to the following tests on the old platform will be removed on:

January 15, 2019: DSSTs, CLEPs, AP Suite, AFOQT/ASVAB, MAT, and SAT Subject Suite

January 28, 2019: LSAT, MCAT

February 11, 2019: ACT, All career prep, TOEFL, ASQB question banks

March 11, 2019: SAT

This is just the beginning! Look forward to more exciting updates, like in-depth results by content and difficulty level, an optional administrative portal, flashcards, and more!
