

My Dashboard in MCIS 360

Overview

My Dashboard is where assessment results and files that have been saved as a favorite are stored. Whether they have been saved in MCIS 360 or the current version of MCIS, they will be on My Dashboard. Reports of the assessment results and saved information files can be run from My Dashboard as well making it easy to see the results in one document. It is also the landing page after signing into MCIS 360.

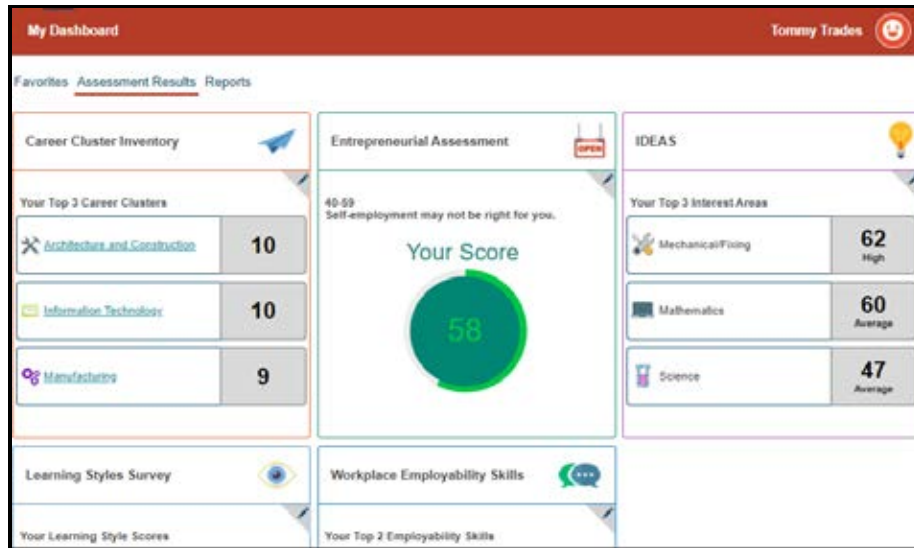

Favorites

This section of My Dashboard is the landing page of MCIS 360 and consists of saved information files such as Careers, Programs of Study, Schools and Scholarships. Users of MCIS 360 just need to click on the link to be taken to that information file to continue exploring.

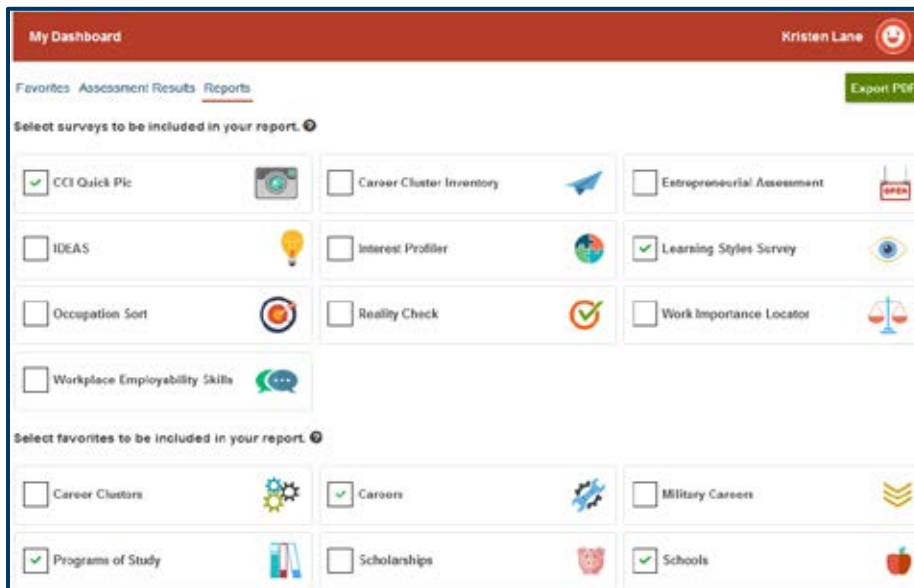

Assessment Results

The Assessments section of My Dashboard can be accessed by clicking on Assessment Results right under the red banner that says My Dashboard. This section will include all of the assessment results that have been saved. Users can restore answer sets, remove results or add notes to the assessment results.

Reports

The Reports section can be accessed by clicking on Reports under the red banner that says My Dashboard. Reports allows users to create a document that consists of their assessment results and saved information files. Reports are exported to a pdf for users to print or save.
